Achilles tendinitis
  asymptomatic, 488
  surgical management, 318
Achilles tendon
  disorders in athletes, 287
  pain in badminton players, 51
  rupture
    quantitative review, 565
    treatment, operative versus nonoperative, 783
ACL
  avulsion from femoral origin, 279
  injuries
    alpine skiers, biomechanical analysis, 537
    women, effect of menstrual cycle, 182
  laxity, radiofrequency electrothermal shrinkage, 221
  reconstruction
    allograft, tunnel enlargement, 368
    bilateral
      simultaneous, 891
      staged procedures with contralateral patellar tendon grafts, 437
    compaction versus extraction drilling, 167
    comparison of techniques, 523
    complications, 748
    flexor-extensor strength, 27
    graft
      braided hamstring tendon, 684
      contralateral patellar tendon, 437
      fixation, 167, 796
      fixation strength, 549
      healing after rupture, 751
      patellar tendon versus semitendinosus and gracilis tendons, 214, 523
      tensioning, 800
      two-bundle, 660
    graft-tunnel diameter disparity, 498
    knee dislocation, 718
    LAD, 851
    long-term follow-up, meniscus and articular cartilage status, 845
    notchplasty, effect on biomechanics, 83
    patellar tendon
      contralateral, 437
      reharvest, 208
      versus semitendinosus and gracilis tendons, 214, 523
    patellofemoral joint contact characteristics, 121
    postoperative
      bone scan, 823
      knee kinematics, 361
      knee stability, meniscal and articular cartilage status, 845
    quadriceps muscle weakness, 334
    revision, reharvested patellar tendon graft, 208
    semitendinosus tendon regeneration, 204
    single- versus two-incision technique, 27
    tibial tunnel enlargement, 368
    tunnel-graft diameter disparity, 498
    two-bundle graft, 660
  size, in men versus women, 329
  tear, partial, children and adolescents, 697
Acromioplasty, arthroscopic, 257
Adams DJ, 469
Adductor muscle strains, prevention in ice hockey players, 680
Adolescent
  ACL tear, partial, 697
  meniscal repair, arthroscopic, 589
  osteochondritis dissecans of the capitellum, 713
  shoulder instability, 758
